ISACA 50TH ANNIVERSARY PROGRAM

What was founded in 1969 as the Electronic Data Processing Auditors Association and today is known worldwide as ISACA, marks its 50th anniversary in 2019. Achieving such a milestone is not just about looking back, as important as that is; ISACA is already and will continue to look forward, with a robust, comprehensive, year-long multifaceted platform and programs. ISACA marks its 50th anniversary in 2019 with a multifaceted, global program of events, content, conversations and celebrations. ISACA is offering a host of options and anniversary opportunities to sponsors and partners, and importantly to partners who want to propel ISACA, its members and its impact into the future. ISACA anniversary programming, promotional materials, events and multimedia will highlight one or several of the ISACA anniversary story pillars. Each pillar may be sponsored at the Global Partner level: Innovation Together, Global Reach, People Power, Learning Evolution and Future Vision.
