

KAL TAHEEM

B.Sc. Econ, CISA, CFE, CMIIA, CIA, PIIA, MSP

I have over 28 years' experience in Risk, Assurance / Audit and Governance. Senior positions held including Head of Internal Audit and Head of Operational Risk (LCH.Clearnet, London Stock Exchange), and Chairman of Audit / Risk / Finance Committees (voluntary / charity organisations including ISACA London Chapter).

Experienced in enterprise risk including governance, market, credit, regulatory, compliance, information technology and security. Acknowledged for leadership skills including: demonstrating initiative, motivating commitment to change, results-driven attitude, implementation of projects, clear communications at all levels and demonstrating risk-based appetite.

I started my own Consulting business in April 2016 and am presently with the Chicago Mercantile Exchange Group providing Audit Management services for the Head of Global Assurance.

I am married, have three children, enjoy outdoor activities and volunteering for charitable causes that has included summiting Mount. Kilimanjaro for two charitable projects.
