

Welcome to Our New Members

By John Shuey

Thank you for joining our chapter. We are working hard to bring quality content in our offerings. We have meetings with a speaker and topics that are usually ½ day, sometimes a full day. We also have 1 & 2-day seminars in the fall and spring, as well as happy hours, and special events. We like to raffle off fun ISACA items during these gatherings. The 23 person Board of Directors and Committees meets 3 times a year to work on the budget, Bylaws, nominations of new committee members, and discussing and voting on motions. Lastly, I was happy to see 6 first time attendees at the September meeting.

Quick Chapter Update

SPOT LIGHT ON CLARENCE BRISCOE, NEWSLETTER COMMITTEE

Q: Tell us how long you have been in IT what is your current position and what led you to the occupation?

A: I've been in IT for 14 years and my current position is an Information Security Manager. I have been working in the Information Security and Privacy field for over 10 years and I have progressed from Information Security Intern to the Information Security Manager I am today.

Q: How long have you been a member of ISACA and why is it important to you?

A: I originally became a member of ISACA and the ISACA Central MD Chapter in 2012. Since then, I have been a member on and off for the last several years, eventually culminating into my membership and role today.
