President's Message

Dear Chapter Members,

Greetings fellow chapter members. I hope you all had a great summer as we got lucky again with decent weather. Welcome to the 2014 - 2015 ISACA Central Oklahoma chapter year! First of, I would like to take this opportunity to thank our board for their efforts in serving our members this past year. Most of them would be continuing this year as well. This would give us opportunity to continue with the progress we had made last year. I would like to welcome the board and looking forward to work with them this year. Also, on behalf of the board we would like to welcome all our chapter members as well the new members who have joined us over the summer. Our chapter membership has seen good growth. Our board has planned for another year of training and events to serve our membership.

Your board met during the summer and made some plans for the new fiscal year. This year as in the past we would be taking part in the Innotech meeting, scheduled for Thursday day, October 9, 2014. We are also planning to provide training events for members to support their certification while earning CPE credits at reasonable cost.

The board trusts you will come join us for this year's future events. We are here to serve you. As always, if you would like to participate as a volunteer, please send an email request to isacacen-tralok@gmail.com and someone will contact you to help determine the best fit for your involvement.

Again welcome and see you all at our first meeting on Thursday, Sep 4th at usual venue, Ted's and yes this year we are also looking at alternating with other venues as well.

Thanks and Welcome,

Jay Thirumalai
President, ISACA Central Oklahoma

Are you on  ?

Certification Update

- **CRISC job practice**—The CRISC job practice will be changing with the June 2015 CRISC exam. The December 2014 exam will be the last exam using the current CRISC job practice areas. Individuals who have been studying from the current job practice should be encouraged to sit for the December 2014 exam. Details regarding the new job practice will be posted to the ISACA web site soon.
- September exam admission tickets**—Exam admission tickets for the September CISA and CISM exams have been sent via email to fully paid exam candidates. Exam candidates can also download a copy of the admission ticket on the MyISACA page of the ISACA web site. Candidates who have not received their email exam ticket or are unable to download it should contact exam@isaca.org or +1.847.660.5660 immediately.
