## President's Message

Dear Chapter Members,

As the calendar year comes to a close we have some good events planned for early next year. If you missed attending the December meeting, the speaker would be coming next year and that too partnering with Intel with some nice door prizes. Look for the announcement in the near future.

Wish you all a happy holidays and enjoying the time with your family and friends.

Your board met recently to come up with some training opportunities; we are planning on training for both IT audit as well as IT Areas to cover both types of our members.

As always please let us know if you are interested to volunteer or have any topics or other training suggestion. Please feel free to contact us at [isacacentralok@gmail.com](mailto:isacacentralok@gmail.com) with any suggestions. Thanks and Welcome,

Jay Thirumalai, President, ISACA Central Oklahoma

## David Mayberry's BIO

David Mayberry is the Managing Director of Internal Technology Audit Solutions for Price Waterhouse Cooper. Prior to coming to PwC, David was the Chief Risk Officer for American Fidelity Assurance in Oklahoma City, OK. He was responsible for developing and maintaining a comprehensive process for identifying, assessing, mitigating, monitoring, and reporting key operational, financial, strategic, technology and regulatory related risks that could potentially impact the entity's operations.

Prior to coming to American Fidelity, David worked for 10 years as a Principal & Director in Deloitte and Touche's Audit and Enterprise Risk Services practice in Los Angeles. He served clients across multiple industries, including Healthcare, Financial Services, Technology, Consumer Business and Entertainment focusing on enterprise risk management, regulatory compliance, internal audit and information technology.

David has presented at numerous events hosted by the Institute of Internal Auditors (IIA) and the Information Systems Audit and Control Association (ISACA) and was also a contributing author of the Global Technology Audit Guide (GTAG) 4: Management of IT Auditing. He is a BAI Certified Risk Professional (CRP) and holds a Certificate of Clinical Competency in Speech Language Pathology (CCC-SLP).

David is holds a Master of Science Degree from Baylor University and a Bachelor of Arts degree from the University of Wisconsin in Madison.

Please share your thoughts...

John Spaid is actively looking for 2016 Spring Training opportunities for our chapter membership. What type of training you would like to see for 2016?

Also, we have open spots for guest speakers for April and May 2016. Feel free to volunteer or let us know of someone who would be interested. What are your areas of interest?

We appreciate your continued chapter support and wish you the best in 2016!
