President's Message

Dear Chapter Members,

Greetings fellow chapter members. I hope you all enjoyed the presentation from speaker at Palo Alto networks. Since in the last minute, Hertz CISO had to reschedule, our own member Lisa Moorner from Hertz will be presenting about Cyber Security but with a twist. Next month, we will again be a sponsor at the Interface Conference this year and our members will receive free lunch and an opportunity to earn multiple CPEs. You all should have received the heads up information already, the registration is open, so please go ahead and register. As I had mentioned last month, it is the time of year to start the process to put a new board in place and we are looking for volunteers for the nominating committee and you would have received requests from the chapter. We will also be shortly sending out the board position description for those of who are interested. Please join us for our monthly chapter meeting next week.

As always please let us know if you are interested to volunteer or have any topics or other training suggestion. We are desperately looking for volunteers. Please feel free to contact us at isacacentralok@gmail.com with any suggestions.

Jay Thirumalai
President, ISACA Central Oklahoma Chapter

Lisa Moorner's BIO

Lisa Moorner is employed with the Hertz Corporation as Senior IT Risk and Compliance Analyst. She has over 20 years in the IT space as enlisted member of United States Air Force and employee in the corporate business sector. Her opportunities have included operations, programming, system testing, change management, internal audit, security/controls, and vendor risk management. Lisa's ISACA's accreditation's include CISA and CRISC. Also, she holds an Applied Associates of Science degree in Management Information Systems and a Bachelor of Science in Management.

Topic Synopsis

Review of ISACA's Cybersecurity Nexus and offerings. Review what is happening with cybersecurity legislation and go over the Cyber-security Act of 2015, which passed into law on December 18, 2015
