## President's Message

Dear Chapter Members,

"Welcome back from Summer"! I know it just wasn't long enough. My name is Sharon. Some of you may know me and that's always good, I am your incoming President of the ISACA Central Oklahoma Chapter and I am excited to serve you and act as your President of the Central Oklahoma Chapter. Make plans to attend the Central Oklahoma Chapter Meeting where the Officer's and the Board of Directors will showcase

"Big Changes, Strategies and Transformation 2016-2017". We are excited to show you the areas that we feel will be exciting changes for our chapter. I believe you are going to love what we have in store for you!

But first, I want to thank Jay for his service to the Central Oklahoma Chapter. As the outgoing President, Jay was an incredibly tireless volunteer who gave a tremendous amount of his time and energy to the chapter. Under his leadership, we had a successful 2015/2016 chapter year. Thank you Jay!

In addition, I'd like to thank each of the past Officers and Board of Directors for their contributions. We couldn't have had a successful year without your commitment and dedication. Thank you!

As your President, I will work hard to ensure that we continue providing quality educational and career development opportunities to all of our members. My goal is to increase the value our chapter provides to community and to our members while expanding our membership base. We have a strong line-up of "On-Point" events covering a wide range of Information Security and IT Governance topics.

Thank you for your membership and continued support of the ISACA Central Oklahoma Chapter. Please join us for our monthly chapter meeting next week.

Please feel free to contact us at [isacacentralok@gmail.com](mailto:isacacentralok@gmail.com) with any comments or suggestions.

All the Best!

### Topic Synopsis:

Over the years the ISACA Central Oklahoma Chapter has been committed to serving its members and the community through professional events and educational opportunities. The chapter hasn't base lined itself for a while. The Officers and new Board recently completed a series of metrics to determine where we are as a chapter. We want to share our Balanced Score Card with you and showcase our "Strategies for Transformation" for the Central Oklahoma Chapter. You won't want to miss it!

### Opportunities

To help IT professionals seeking jobs and employers seeking qualified candidates connect, global IT association ISACA is hosting its first [Online Career Fair](#). The event will take place 15 September 2016, from 12 p.m.-3 p.m. EDT (UTC -4).
