With effective 1 January 2014, The following change to the ISACA certification CISA, CISM, CGEIT and CRISC CPE policies has been made.

Passing related professional examinations (no limit): *This activity pertains to the pursuit of other related professional examinations. Two CPE hours are earned for each exam hour when a passing score is achieved.*

Previously only one CPE hours was earned for each examination hour. In other words, if a certified individual passes a related professional examination that was 4 hours in length, 8 CPE would be earned. Prior to 1 January 2014, 4 CPE would have been earned.

 For CGEIT: www.isaca.org/cgeitcpepolicy
