Discover the 2017 SecureWorld Conference Theme with
John O'Leary, CISSP, President, O'Leary Management Education

Industry Expert Panel Discussions

Topics covering: emerging threats, identifying risks, incident response and more

And many more coming soon!

SecureWorld PLUS - Earn 12 CPEs!

The PLUS course is the day before so you don't miss any of the conference.

A SecureWorld PLUS pass includes a Conference Pass.

Monday, October 23 • 9:00 a.m. - 3:00 p.m.

Two great instructors and topics to choose from:

Alex Wood

CISO, Pulte Financial Services

"Designing and Building a Cybersecurity Program Based on the NIST Cybersecurity Framework"

John O'Leary

CISSP, President, O'Leary Management Education

"Big Data and IoT: Wonderful, Terrible, Inevitable"

Our Advisory Council members in the Cincinnati area let us know the big issues for 2017, so we can ensure local speakers bring timely, relevant topics to the agenda.

About SecureWorld

"See globally. Defend locally."

At SecureWorld, it's our battle refrain and the heart of what we do.

For over 15 years, we've stayed on top of global IT security issues and shared the critical knowledge and tools needed to protect against ever-evolving threats. Through our network of industry experts, thought leaders, practitioners, and solution providers, we collaborate to produce leading-edge, relevant content and educational opportunities.

We host 16 annual conferences across the U.S., bimonthly web conferences, and quarterly online career fairs, and serve as a hub for cybersecurity news and resources. We hope you will consider becoming part of our security community.
