Auditorium

This is where you will attend sessions, the best part – you don’t have to worry about climbing over anyone to get a seat!
Session Engagement

Just because we’re virtual doesn’t mean you can’t connect with other attendees and presenters!

Q&A | You can ask questions during the presentation, or you can see what has been asked. Upvote a question someone else submitted to boost chances of it being answered live.

Group Chat | This is where you can chat and interact with all attendees during the sessions.

Connect with our speakers and read bios here.

These two boxes will have presenter video and slides for simultaneous viewing.

Jeopardy
Try your hand at our version of the classic. Best part? Answers do NOT need to be in the form of a question!
Chat & Connects
Each day there’s time to connect face to face with your fellow attendees. Find some time and connect with friends old and new!
Discussion Boards
Participate in an existing topic or start one of your own!
Two Options available:

1.) Update your professional headshot from the comfort of home! Snap away until you find the perfect shot :D

2.) Take a fun selfie and share in the gallery for your fellow attendees to check out!
If you need more assistance, stop by the ISACA booth in the exhibit hall, staff is there to assist!
