CALL FOR SPEAKERS
ISACA CONFERENCE ASIA 2022
Call for Speakers Deadline: Friday 20 August 2021

Are you an industry expert, thought leader or passionate information and technology professional willing to share your experiences, insights and knowledge with colleagues and peers? ISACA is now accepting proposals for educational sessions at the globally recognized ISACA Conference Asia 2022, which is taking place 22-24 February 2022 in Manama, Bahrain!

For 2022, we are looking for dynamic speakers and important topics that will provide the best possible experience for attendees. This is a great opportunity for you to give back to your profession by sharing your knowledge and insights while earning CPE credits at the same time! Speakers associated with ISACA conferences are recognized as industry leaders and subject matter experts.

Attendees today are looking for more out of their conference education experience—hands-on learning, interaction with the presenter, case studies, real-world examples, and opportunities to dive deeper into topics. We strongly encourage you to consider new ways to incorporate these types of interactions while you are developing your session. Be sure to indicate in your submission how you intend to deliver this interactive type of learning environment.

TOPICS AREAS FOR THE CONFERENCE...
We are looking for submissions in the following topic areas:
- Audit
- Governance
- Information Security/Cybersecurity
- Privacy
- Information and Technology Risk
- IT Fundamentals
- CMMI
- Process Improvement
- Emerging Technologies
- Leadership Development & Career Management

The following types of sessions will be offered at our 2022 event:
- 50-minute session (Presentation & Discussion)
- 75-minute session (Deep Dive Session)

As part of your submission, please indicate the type of session you are submitting for.
WHO SHOULD ATTEND
For attendees to have the most beneficial conference experience, it is critical that potential attendees understand
the level and audience for your presentation. Please describe who the presentation is geared towards. This is a
free-form field, but below are some suggestions to get you thinking about the intended audience:

- Those new to IT Audit
- Security practitioners and managers
- Practitioners who want to learn the basics of [insert topic]
- Directors and executives who need to learn [insert topic]
- Those practitioners with technical responsibility for [insert topic]
- Professionals who want to learn more about [eg. technology]
- Professionals who want to improve their communication skills

Note, that you can have more than one intended audience; the more specific you are, the more likely you will
drive attendance at your session.

SPEAKER PERKS
Speakers who are selected will receive the following benefits:

- Complimentary conference registration* (complimentary registration is given to 1 speaker per session only)
- CPE hours for the session they present (CPE hours for speakers are earned at five times the presentation
time for the first presentation of the topic or an extensively modified topic).
- One complimentary pass to all social and networking events.

*Complimentary registration is not transferable or able to be used as a credit. Registration for the pre- and post-
workshops are not included with complimentary conference registration.

Any speaker who meets the criteria of a Top-Rated Speaker will receive special formal recognition from ISACA
Global and will be named as a Top-Rated Speaker on the ISACA web site at the conclusion of the Conference.

QUESTIONS?
We encourage anyone that is interested in presenting at an ISACA Conference to review the Speaker FAQs. You
