ISACA is focused on creating a digital footprint that is more honest, ethical, and transparent. One that is resilient and secure. One that protects its users and delivers enhanced confidence to create business growth for everyone. And this is all possible with technology and information professionals leading the way.

Are you an industry expert, thought leader or passionate information and technology professional who is willing to share your experiences, insights and knowledge with colleagues and peers? **ISACA is now accepting proposals for educational sessions that touch on topics relevant to some aspect of digital trust to be presented at our North America conference held 10-12 May 2023 in Boston, MA USA at the John B. Hynes Veterans Memorial Convention Center!**

For 2023, we are looking for dynamic speakers and important topics that will drive digital trust practices (see topic areas below). We are looking to provide the best possible experience for attendees. This is a great opportunity for you to give back to your profession by sharing your knowledge and insights while earning CPE credits at the same time! Speakers associated with ISACA conferences are recognized as industry leaders and subject matter experts.

**Attendees today are looking for more out of their conference education experience—hands-on learning, interaction with the presenter, case studies, real-world examples, and opportunities to dive deeper into topics.** We strongly encourage you to consider new ways to incorporate these types of interactions while you are developing your session. Be sure to indicate in your submission how you intend to deliver this interactive type of learning environment.

Also new this year, some of the selected sessions may be included in a virtual only event, to be held later in 2023! Keep an eye out for more details coming soon.

**TOPICS AREAS FOR THE CONFERENCE**

We are looking for submissions in the following topic areas:

- Audit
- Governance
- Information Security/Cybersecurity
- Privacy
- Information and Technology Risk
- IT Fundamentals
- Emerging Technologies
- Leadership Development & Career Management
- Process improvement/quality

Ideally, each session can be tied back to ISACA’s digital trust initiative.
SESSION TYPES
The following types of sessions will be offered at our 2023 event:

- **60-minute session** (one of the following types):
  - Presentation and discussion
  - Case studies
  - Panel discussion
- **75-minute session** *(Deep Dive)*
- **120-minute session** *(Master Class)*
- **8-hour workshop** *(Pre-conference, 6.5 hours of content)*
- **16-hour workshop** *(Pre-conference, 13 hours of content)*

As part of your submission, please indicate the type of session you are submitting for.

LEARNING LEVEL
For attendees to have the most beneficial conference experience, it is critical that potential attendees understand the level and audience for your presentation. The *majority of conference attendees are IS professionals with 13+ years of experience.*

- **Beginner:** This session is an introduction to the topic and will cover basic principles and concepts only. Individuals with little to no exposure to this topic will benefit from this session. (Theoretical concepts only).
- **Intermediate:** This session is intended for individuals that already been exposed to this topic and have a working knowledge of the concepts. Basic concepts may be mentioned but will not be the focus. (Both Theoretical concepts and Practical techniques may be covered)
- **Advanced:** This session is intended for individuals who are very knowledgeable of this topic and will provide techniques and/or best practices on how to apply the concepts. (Mostly practical techniques will be covered)

SPEAKER PERKS
Speakers who are selected will receive the following benefits:

- Complimentary conference registration* *(complimentary registration is given to 1 speaker per session only)*
- CPE hours for the session they present *(CPE hours for speakers are earned at five times the presentation time for the first presentation of the topic or an extensively modified topic)*.
- One complimentary pass to all social and networking events.

* Complimentary registration is not transferable or able to be used as a credit. Registration for the pre- and post-conference workshops are not included with complimentary conference registration.

QUESTIONS?
We encourage anyone that is interested in presenting at an ISACA Conference to review the *Speaker FAQs*. You can also contact ISACA at any time at +1.847.660.5505, or simply [click here to submit a question](#).
