CALL FOR SPEAKERS
ISACA CONFERENCE EUROPE 2021
Call for Speakers Deadline: Friday 19 March 2021

Are you an industry expert, thought leader or passionate information and technology professional willing to share your experiences, insights and knowledge with colleagues and peers? Attendees today are looking for more out of their conference education experience—hands-on learning, interaction with the presenter, case studies, real-world examples, and opportunities to dive deeper into topics. We strongly encourage you to consider new ways to incorporate these types of interactions while you are developing your session. Be sure to indicate in your submission how you intend to deliver this interactive type of learning environment.
