Since launching the Public Policy and Advocacy function in 2016, ISACA has:

- Attended more than 270 meetings with executive and legislative policy makers and leaders, including multiple events focused on GDPR and cybersecurity
- Coordinated 34 responses by ISACA SMEs to consultations from Australia, the EU, the UK, and the US
- Tracked 56 legislative measures across the EU, UK, US and Australia

ISACA has certifications ranked among the highest-paying IT certifications based on the 2018 IT Skills and Salary Report conducted by Global Knowledge, with average salaries in North America of:

- CISA: US$97,117
- CRISC: US$107,968
- CISM: US$105,926
- CGEIT: US$117,544

ISACA’s certifications are consistently the most downloaded COBIT resources since inception. COBIT 4.1 is the top downloaded resource.

ISACA members and engaged professionals serve in volunteer positions around the world:

- 25,000 members in 188 countries in 2019
- 140,000+ members
- 2 offices
- 220+ chapters worldwide

ISACA’s core certifications maintain a retention rate of 94–96%.
