Technology is always evolving. Being a part of a global community of IT thought leaders is the best way not only to keep up, but to pull ahead. ISACA® connects members with a global community of 140,000 professionals in over 180 countries worldwide. We equip and inspire individuals to be leaders in the fast-changing world of information systems, information technology and business by offering opportunities to:

## CONNECT MORE

Gain insights, share ideas and develop relationships with innovators and leaders in information systems audit, control, compliance, security, cyber security, risk, privacy and governance. Connect in local chapters, at workshops and worldwide conferences and online through ISACA's Knowledge Center.

## LEARN MORE

Leverage award-winning certifications, publications, conferences and training. Members can earn up to 70 free Continuing Professional Education (CPE) hours annually.

## BE MORE

Access the most up-to-date thinking on standards, best practices, emerging trends and the rapidly evolving landscape of IS and IT.

# YOUR CONDUIT TO EXPERTISE, INNOVATION AND OPPORTUNITY.

By working collectively with a global community of thought leaders, innovators and professionals, ISACA develops globally accepted research, standards, frameworks and guidance that enhance the profession and support enterprise success worldwide. This ability to leverage member expertise makes ISACA the most trusted resource for thought leadership and advocacy in IS/IT audit, control, compliance, security, cyber security, risk, privacy and governance for industries, enterprises and individuals.

## THOUGHT LEADERSHIP

Equip yourself with knowledge critical to thinking strategically and navigating today's complex IT issues. From surveys and whitepapers to frameworks, standards and research publications, ISACA has what you need.

## ISACA® JOURNAL, @ISACA NEWSLETTER, ISACA NOW BLOG AND MORE

Get access to cutting-edge, front-line perspectives on emerging trends, developing risks and professional development.

## ISACA eLIBRARY

Our most popular benefit! Members enjoy free access to more than 575 titles on demand to supplement knowledge and sharpen skills.

## KNOWLEDGE CENTER

Do not face your technology challenges alone. Connect and collaborate with like-minded professionals on topics of mutual interest and share your real-world experiences.

## GLOBALLY-RECOGNIZED CERTIFICATIONS

Members who seek our prestigious CISA®, CISM®, CGEIT® and CRISC™ certifications enjoy discounts on exam study aids, registration and maintenance.

## ISACA CAREER CENTRE

Post your CV/résumé and search thousands of worldwide jobs by experience level, country and more.

# JOIN A GLOBAL COMMUNITY OF TALENT. JOIN ISACA.

**“ISACA HELPS YOU INTERACT LOCALLY.**

**IT ALSO CONNECTS YOU GLOBALLY.”**

**EXPECT MORE**

Learn more at [www.isaca.org/achievemore](http://www.isaca.org/achievemore)

ISACA's diverse membership base includes a wide range of industry experts with a boundless mix of interests, talents and experiences. Our membership makes up a robust community that creates new avenues to enhance your career.

## DISCOUNTS

Save on ISACA exam study aids and receive discounted registration for certifications and annual maintenance fees. You will also save at the ISACA online bookstore where you can explore a peer-reviewed collection of industry publications, including COBIT® 5 products and exam resources. ISACA organizes more than 25 worldwide events each year, with substantial discounts offered to members.

►► Members can easily recoup their membership dues and save hundreds of dollars per year with an ISACA membership.

## RESOURCES

Exclusive live webinars, virtual conferences, free COBIT downloads and complimentary publications are available to all members. Stay up to date on the latest industry topics and gain unique insights from the industry's most innovative thought leaders.

## NETWORKING

Local chapters allow for face-to-face networking, valuable educational events (seminars, workshops and research projects) and several participation and leadership opportunities. Log on to ISACA's online Knowledge Center to meet and collaborate with peers around the globe. Our global network helps to create the diverse connections you expect from a premier association.

►► Use *Colleague Request* to connect with other members, specialists, experts and potential employers.

## CONTINUING EDUCATION

From Continuing Professional Education (CPE) hours to the certifications themselves, ISACA values continuous learning and offers education through a variety of programs, events and volunteer opportunities.

►► Earn up to 70 FREE CPE hours per year.

ISACA is a global association that builds *trust in, and value from, information systems*. Established over 45 years ago, ISACA is a trusted source of knowledge, networking, education and career development for audit, control, compliance, security, cyber security, risk, privacy and governance professionals. Through our worldwide community, ISACA inspires and equips individuals to be more capable, valued and successful in the fast-changing world of information systems, information technology and business.

*Trust in, and value from, information systems*
