SUCCESS
DEMANDS AN EDGE.

ISACA®
IS THAT EDGE.

Technology is always evolving. Being a part of a global community of IT thought leaders is the best way not only to keep up, but to pull ahead. ISACA® connects members with a global community of 450,000 engaged professionals in 188 countries worldwide. We equip and inspire individuals to be leaders in the fast-changing world of information systems, information technology and business by offering opportunities to:

ACCESS

Gain insights, share ideas and develop relationships with innovators and leaders in information systems audit, control, compliance, security, cybersecurity, risk, privacy and governance. Connect in local chapters, at workshops and worldwide conferences and online through ISACA's Knowledge Center.

SAVINGS

Leverage discounts on award-winning publications, conferences, training and more. Members can also earn up to 72 free Continuing Professional Education (CPE) hours annually.

KNOWLEDGE

Access the most up-to-date thinking on standards, best practices, emerging trends and the rapidly evolving landscape of IS and IT. Plus, receive the bi-monthly award-winning *ISACA Journal*.

ACCESS TO A GLOBAL NETWORK OF EXPERTISE, INNOVATION AND OPPORTUNITY.

By working collectively with a global community of thought leaders, innovators and professionals, ISACA develops globally accepted research, standards, frameworks and guidance that enhance the profession and support enterprise success worldwide. This ability to leverage member expertise makes ISACA the most trusted resource for thought leadership and advocacy in IS/IT audit, control, compliance, security, cybersecurity, risk, privacy and governance for industries, enterprises and individuals.

THOUGHT LEADERSHIP

Equip yourself with knowledge critical to thinking strategically and navigating today's complex IT issues. From surveys and whitepapers to frameworks, standards and research publications, ISACA has what you need.
