LEARN ABOUT ISACA'S CERTIFICATIONS—and how they can help position you for a fulfilling and higher-paying IT career.

JOIN ISACA ONLINE NOW AT: WWW.ISACA.ORG/STUDENTS

To qualify for student membership, you will need to verify that you are currently enrolled in a degree-seeking program and provide evidence you are earning credit hours towards receiving an associates, bachelors, or masters level degree at a recognized college or university.

Current students will be asked to submit proof of their enrollment status along with their student membership application.

Acceptable forms of verification include:

- Copy of your class schedule
- University transcript
- Letter from the university

*Note: Student membership is available to first-time ISACA members. Membership that is approved at this level is limited to 6 years.

ABOUT ISACA

As a forward-thinking, global membership association for IS/IT professionals in audit, control, security, cybersecurity, risk and governance, ISACA is committed to providing its diverse global community of more than 450,000 engaged professionals worldwide with the tools to achieve individual and organizational success. As a student, you want to have a support system in place to help you make the right connections within your field, secure the best job opportunities and grow professionally. If you have questions, contact us at: <https://support.isaca.org> or visit www.isaca.org/students.
