

NOVEMBER 2014

PRESIDENT'S MESSAGE

[Alexander Josephite](#)

Greetings Fellow Chapter Members!

As we enter the Holiday season and the year draws to a close, please be mindful of CPE requirements to maintain your ISACA® Certifications. ISACA® and the Chapter host training events each month to help you stay "In the Know". If you haven't already, download the Chapter Mobile Application, and join our LinkedIn site and Twitter feed for updates on Chapter events and current events within the technology sector.

We recognize that you may not be able to attend ISACA® training courses due to a busy work schedule, so we've added a new page to our website to advertise discounts other organizations are offering our membership.

Good luck to those studying for ISACA® Certifications, and I hope to see you on November 19th for our young professionals mentoring event, or December 10th for our Membership Meeting and Holiday Party at Citi's 53rd street location.

"Teamwork is a Key to Success"

Alexander Josephite, CISA, CIA, CFSA
ISACA® New York Metropolitan Chapter President

TECHNOLOGY CORNER

ISACA® New York Metropolitan Technology Committee

U2F Security Key Fobs Supported by Google Services

According to a "Krebs on Security" article, Universal 2nd Factor (U2F) standard security key fobs are now supported by Gmail and other Google services. This will offer an additional level of security for users when accessing their Google accounts. A Yubico U2F Security Key can be purchased for around \$17. You can read more about this by going to the following link:
