The Metropolitan New York Chapter is co-hosting two cybersecurity conferences in collaboration with other leading professional organizations. The NY Metro Joint Cyber Security Conference (NYMJCSC) is on October 13-14 in midtown Manhattan, and the North East Annual Cybersecurity Summit (NEACS) is on October 27 in Trumbull, CT. These are separate events covering a wide range of current cybersecurity topics. See event links in the Calendar section below for registration and information.

Exclusive CSX Trainer opportunity from ISACA: Chapter members can become CSX Fundamentals trainers.
