## EDUCATION

Committee Chair [Sabine Charles](#)

The Education Committee is looking for volunteers to participate in committee activities. Please email [volunteer@isacany.org](mailto:volunteer@isacany.org) to learn how to get involved.

### Upcoming Classes:

**Information and Technology Risk Analysis, Scenarios and Prioritization - November, 3, 2016**  
Location: BNY Mellon, 101 Barclay Street (10th Floor)

This course will cover risk prioritization in information security and risk management and how to use Factor Analysis of Information Risk (FAIR) as an approach for effective prioritization and analysis of a risk scenario.

**Level: Advanced, 8 CPE.** [Click here for registration and information.](#)

### Instructor:

*Jack Jones* is the Chairman of the FAIR Institute and co-founder and EVP R&D at RiskLens. Previously he was a CISO with Nationwide Insurance, Huntington Bank and CBC Innovis.

**Auditing Unix/LINUX - December 8-9, 2016**

Location: AIG, 175 Water Street (18th Floor)

During this two day course, students will learn about the security issues that should be considered when conducting a Unix/Linux audit. Students will understand how to identify and mitigate risks that affect Unix/Linux operating systems. Hands-on exercises will be conducted to ensure that students have the opportunity to apply the concepts presented, as well as obtain hands-on experience with Unix/Linux systems. Multiple tools and techniques for conducting Unix/Linux audits will be presented.

**Level: Intermediate, 24 CPE.** [Click here for registration and information.](#)

**Instructor:**

Tanya Baccam has extensive experience performing audits and assessments including application reviews, system audits, vulnerability and penetration tests, as well as providing training around databases, applications, security and software development risks. Tanya is a Senior Certified Instructor and courseware author for SANS (Sysadmin, Audit, Network, Security) where she has developed and delivered training in security auditing, incident handling, hacker exploits, database security and perimeter protection, as well as being an authorized grader for some of the GIA certifications.

## CERTIFICATION

Committee Chair [Raisa Serebrenik](#)

The Certification Committee delivers review classes for ISACA® certification exams. For information about the Committee or Spring 2017 exam review classes, or if you would like to host a review class, contact [Certification@isacany.org](mailto:Certification@isacany.org).

With the 2017 renewal year now open, it is the perfect time to review your continuing professional education (CPE) status for your certification. The CPE policy requires the earning of 20 CPE hours annually and 120 hours over the 3-year cycle. Remember that CPE needs to be earned in each cycle year and cannot be carried over from one year or one cycle to another. Certified individuals have until 31 December 2016 to earn any needed CPE to remain compliant with the CPE policy.

Certification Committee is working on planning exam review classes for Spring 2017. Refer below to the proposed dates of Spring 2017 review classes.
