

## New York Metropolitan Chapter

**OCTOBER 2013**

### **PRESIDENT'S MESSAGE**

[Alexander Josephite](#)

Many people are excited about Fall in New York. For some, it's due to great foliage, amazing sunsets, cooling temperatures, and the Halloween parade. For me, however, fall marked a pair of amazing Chapter accomplishments: our Technology Committee just released the first ISACA New York Metropolitan Chapter mobile application and our volunteers helped host a memorable regional conference. Thank you to those who signed up to be new volunteers at our summer mixer; we'll be reaching out to you soon! Join me in the great pleasure of welcoming our new members into this great community of professionals at our next meeting on October 17th. Read on for upcoming events.

Alexander Josephite, CISA, CIA, CFSA  
ISACA® New York Metropolitan Chapter President
