A Business Framework for the Governance and Management of Enterprise IT

PREVIEW VERSION

COBIT®
AN ISACA® FRAMEWORK
These following pages provide a preview of the information contained in COBIT 5. The COBIT 5 framework is available as a complimentary PDF (www.isaca.org/cobit) and for purchase in hard copy (www.isaca.org/bookstore). It provides an overview of the COBIT 5 guidance, its five principles and seven enablers. We encourage you to share this document with your enterprise leaders, team members, clients and/or consultants.

COBIT enables enterprises to maximize the value and minimize the risk related to information, which has become the currency of the 21st century. COBIT 5 is a comprehensive framework of globally accepted principles, practices, analytical tools and models that can help any enterprise effectively address critical business issues related to the governance and management of information and technology. Additional information is available at www.isaca.org/cobit.
